MITRE ATLAS | AML.T0000.001 - Pre-Print Repositories

Entry Information

ID:
AML.T0000.001

Type:
Sub-Technique

Name:
Pre-Print Repositories

URL:
https://atlas.mitre.org/techniques/AML/T0000/001/

Parent Technique:
AML.T0000

Maturity:
Demonstrated

Created:
2021-05-13

Modified:
2021-05-13

Description

Pre-Print repositories, such as arXiv, contain the latest academic research papers that haven't been peer reviewed.

They may contain research notes, or technical reports that aren't typically published in journals or conference proceedings.

Pre-print repositories also serve as a central location to share papers that have been accepted to journals.

Searching pre-print repositories provide adversaries with a relatively up-to-date view of what researchers in the victim organization are working on.
