MITRE ATLAS | AML.T0063 - Discover AI Model Outputs

Entry Information

ID:
AML.T0063

Type:
Technique

Name:
Discover AI Model Outputs

URL:
https://atlas.mitre.org/techniques/AML/T0063/

Tactics:
AML.TA0008

Maturity:
Demonstrated

Created:
2025-03-12

Modified:
2025-03-12

Description

Adversaries may discover model outputs, such as class scores, whose presence is not required for the system to function and are not intended for use by the end user. Model outputs may be found in logs or may be included in API responses.

Model outputs may enable the adversary to identify weaknesses in the model and develop attacks.
